The collection copies of the part pane of seven, and the single are with full original gum. The illustrated strip at the top was used as a band, and the torn area on the right side is attached to the back-side on the left.
The collection ***does not contain*** and I ***have not seen*** a copy of **RL-11a** (the brown one-half pound strip inscribed **LIVRE** on the left end) - **WANTED!**

The collection ***does not contain*** and I ***have not seen*** copies of the brown one-half pound strip **RL-11**strip which pays the wartime excise tax by the affixing of an excise tax stamp. Such strips should not have a different catalogue number, as they are simple variant uses of the regular strip. If they are to be listed separately, they should probably be included by the appending a *letter* to the original strip's catalogue number. They are an interesting *variation*, but hardly a distinct item. Dr. Earle Covert supplied the following item:

A3587622	RL-11	1/2 pound, fine roulette, with a 4c excise tax stamp attached, With a blue roller cancellation **?-10D**

--- BABN dark blue surcharge of RL-11 - for the March 1943 Budget ---

--- RL-17 - 4¢ / EXCISE / TAX on 1/2 pound - *fine roulette* - with 1/2 POUND at the left end ---

When the Budget of March 1943 imposed an excise tax of 8¢ per pound on *Domestic Raw Leaf Tobacco* BABN surcharged **RL-11** with their 3 and 2 mm. three-line Gothic **4¢ / EXCISE / TAX** as **RL-20**.
